\$870,000 TO LOAN AT FIVE PERCENT PER ANNUM.
If you need money to buy real estate or build a house or lift a mortgage ask for some of this. We won't give it away, but we will loan it at 5 percent, and allow you 10 years to return loan in monthly payments of \$2.50 on each \$1000, and interest, which is \$2.15 per month on the \$1000, or pay it up any way you wish if you only want it two months. We also insure for the time you have it. Remember that you save \$42 a year on each \$1000 as compared to 8 percent. It certainly beats paying rent. We also write fire insurance at a rate that won't rob you. It will pay anyone to take advantage of the opportunity offered in both of these.
